Benefiting Society and the Economy

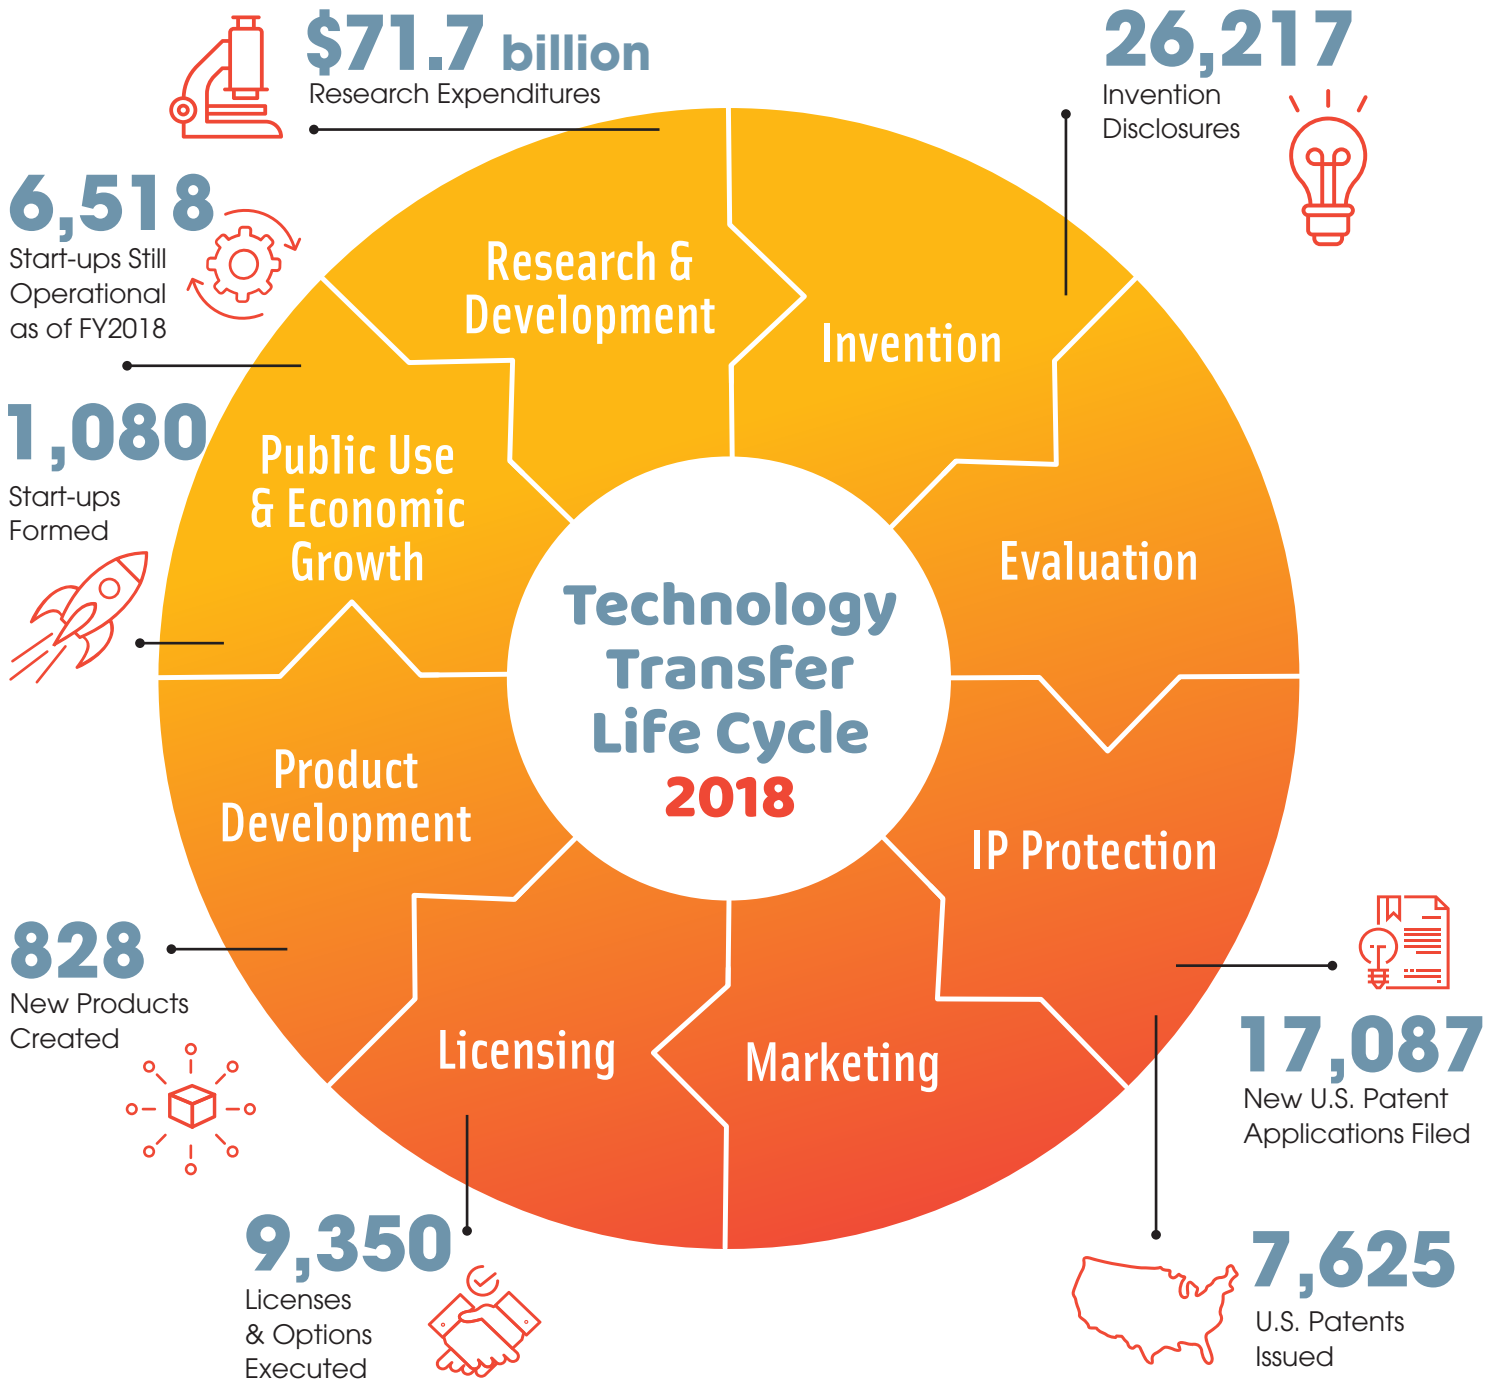

Academic Technology Transfer For 2018

Transforming Ideas into Opportunities

For more information about AUTM, visit

www.autm.net

For more information visit
www.autm.net

Every year university research yields discoveries with commercial potential.

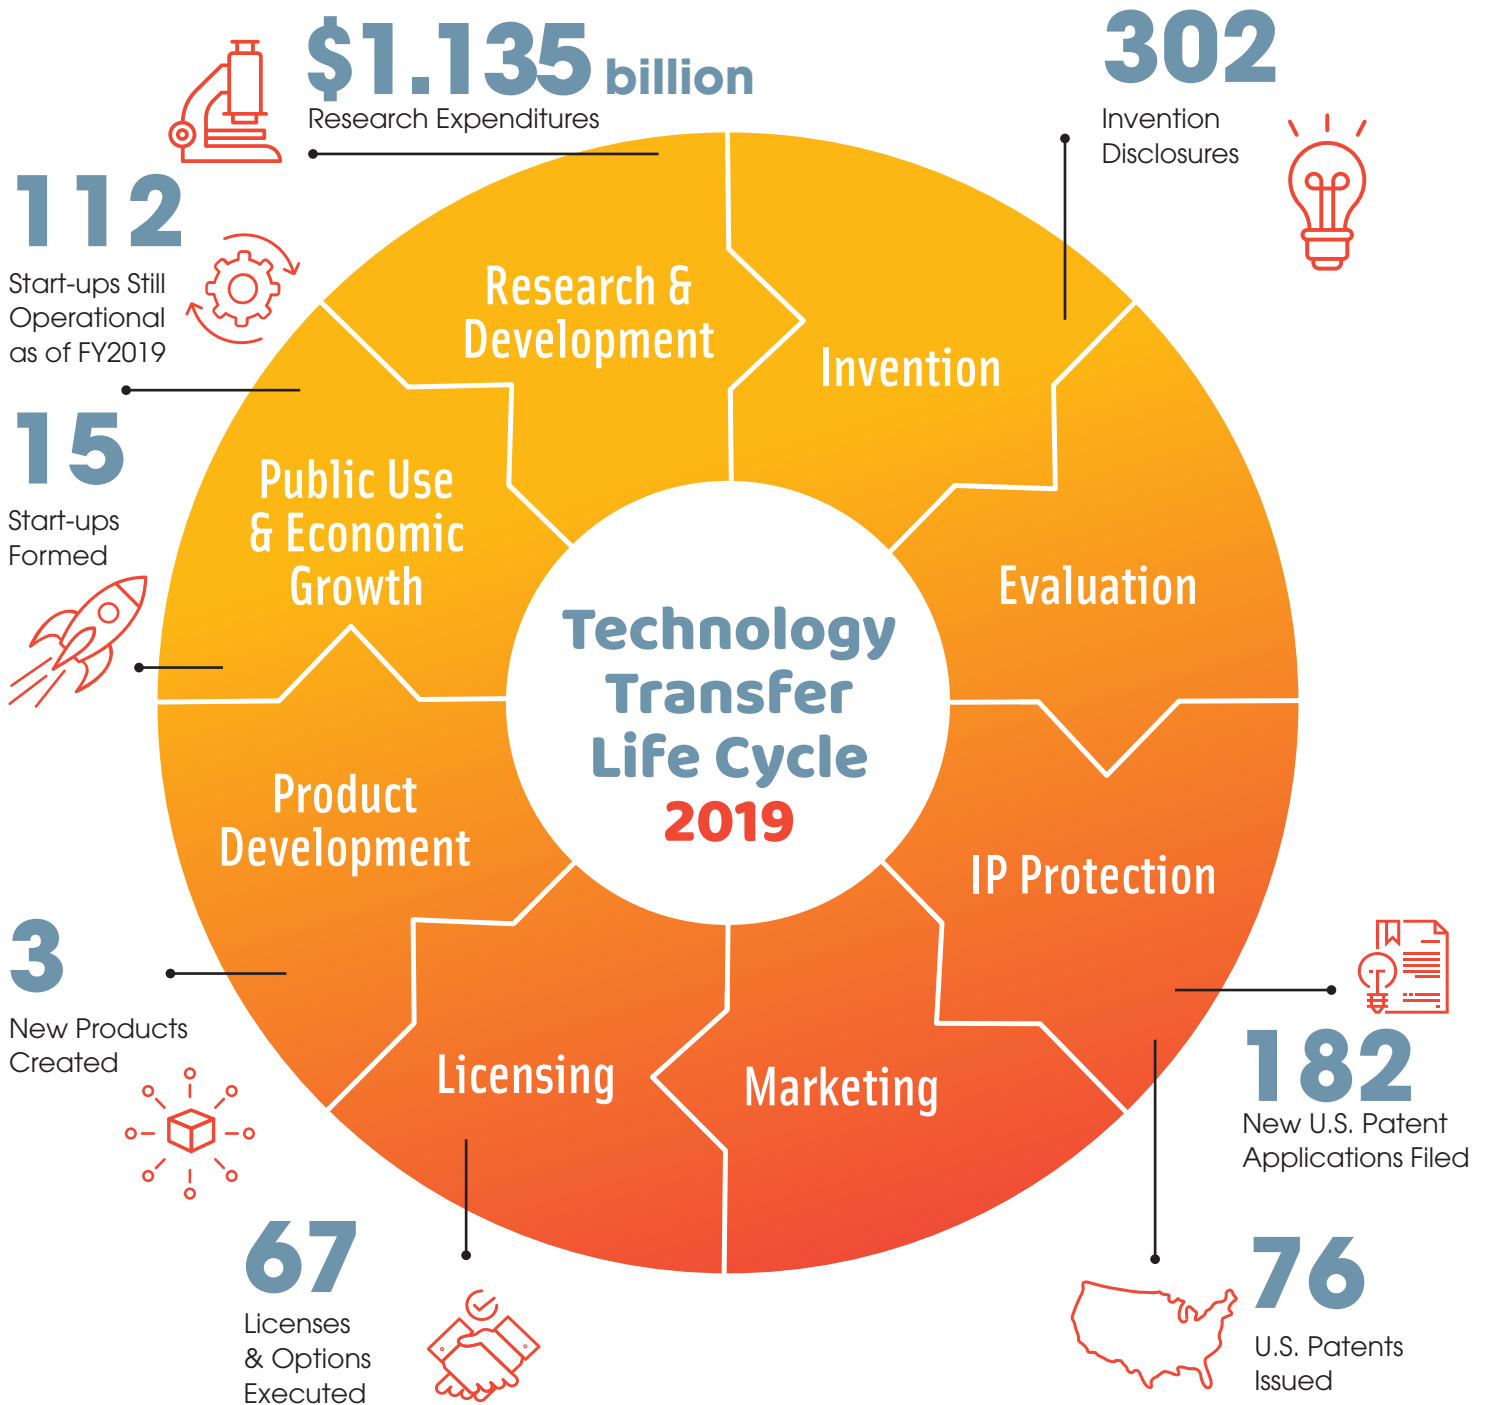

Technology transfer professionals associated with universities and other academic institutions manage the complex process of shepherding ideas from the lab to the marketplace — from evaluating and protecting discoveries to commercializing the inventions through new and existing companies.
